

Mill Creek Library Has **E-books!**

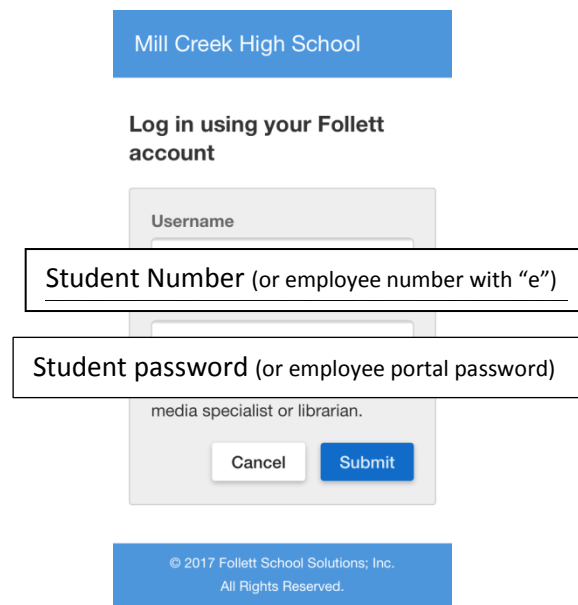

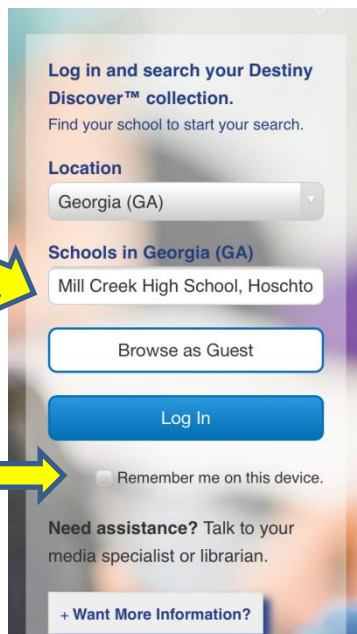

Access them from your smartphone, tablet, kindle, nook, Mac and Windows computer! There are test books as well as novels. Download the **Destiny Discover** app and see the directions below.

Step #1: Search for the **Destiny Discover** App in your store

Step #2: Open up the app, Select your school name, and then login using your student number and password (for teachers use your portal username and password).

**Select the "Remember me on this device" option to stay logged in.*

Accessing eBooks From a Computer

From a computer- Login to your eClass page and click on "Media Catalog" (see picture to the left). Then, you can login to our catalog using your username and password, and you can sort by ebooks using the options on the top right (click "FollettShelf").

**See the media center staff for assistance with ebooks.*
